The Military Secretary's Office,

WAR DEPARTMENT,

Washington, April 14, 1905.

It has this day, (April 14, 1905,) been determined by this Department from the records

that so much of the record of allowances by the Hawkins Taylor Commission as shows that pay was allowed the above named man for actual military services between June 16, 1861, and October 1, 1863, is erroneous, and should have shown payment for actual military service between June 16, 1861, and October 1, 1861.
